Dear Beautiful Clients,

Please note our new prices from

Monday 1st June 2020.

The time of year has come when we must implement a small price increase. We do this every year at this time to take account of inflation and increases in running costs. Without this small increase, we would be unable to continue providing the quality of service we pride ourselves upon.

We thank you for understanding our need to implement this policy and we look forward to servicing you with our fabulous services for the year ahead!

Yours gratefully,

Bollywood cuts n Brows Team
